Degreaser

A powerful and effective formula specifically designed to tackle tough grease and grime on various surfaces, machinery, and equipment. This degreaser is ideal for heavy-duty cleaning tasks in industrial settings, automotive workshops, and other areas where grease buildup is a challenge. It cuts through stubborn grease and oil residues efficiently, leaving surfaces clean and ready for further use or maintenance. The formula is water based and is designed for effective use on a range of surfaces. After applying the degreaser to greasy and oily surfaces, rinse off with water to leave your equipment, or surfaces squeaky clean with no traces of grease or oil.
